August 2016 Newsletter

With the exception of the first week of August, when four locally based sub-units will be conducting armoured and mechanised low level dry training, military activity on the Plain throughout the middle two weeks of the month will consist mainly of army cadet force training. Cadets from Kent and Hampshire & Isle of Wight ACF will be conducting their annual camps on the Plain over this period. Armoured manoeuvre training will start again on 22nd August with elements of the Royal Tank Regiment, 1st Battalion The Royal Welsh and 1st Battalion The Mercian Regiment deploying on the Plain. The roads into Imber village will be open from 1800 hours on Friday 05th August until 0800 hours on Monday 22nd August. The public are reminded that access is restricted to the carriageways only and, that with the exception of St Giles Church, there is no access to the buildings in Imber village which will be being used by the military for training. It is the responsibility of the public to ensure that their vehicles (including cycles) are properly lit at night and in poor visibility when using the Imber roads, and that the 30 mph speed limit is strictly adhered to.

Use of Civilian Drones, UAVs and Model Aircrafts on SPTA.

SPTA airspace is heavily used by military aircraft and UAVs and no unauthorised use of its airspace is to take place under any circumstances. Over the last three months we have encountered unauthorised flying by a paramotorist in the area between Shrewton and Tilshead, an individual flying a hang-glider over the impact area in the centre of Salisbury Plain and an individual flying his/her UAV in the area between Tilshead and Warminster; all three actions break the Salisbury Plain Military Byelaws 1981 and could have resulted in loss of life.

Every effort is being made to ensure that these occurrences are not repeated in the future.

NOISE MANAGEMENT

General. The MoD takes all complaints very seriously and do much to mitigate where possible. Most complaints from members of the public from around Salisbury Plain Training Area are concerning impulse noise generated from the detonation of the 155mm High Explosive shell, and gun noise from the AS90 artillery weapon system.

Noise Limits. All ranges have been directed to ensure that no impulse noise greater than 130dB is heard outside the range boundary in populated areas or on main routes.

Noise Prediction. Gunfire noise is predicted using the Gunfire Noise Analysis Tool (GNAT) and traces from the Met Office Noise Evaluation Tool (MONET) at Larkhill Met Office.

Noise Measurement. Range Operations monitors noise from both the guns and the impact area using fixed microphones linked to the Gunfire Noise Assessment Tool (GNAT) computer in Westdown Camp and staff may deploy with hand-held noise monitors.

Countering Excessive Noise. In the event that the 130dB limit could be exceeded, Range Operations have a number of control measures that can be activated to ensure the requirement is adhered to; including stopping firing.

Upcoming Major Exercises. During large exercises, access may be restricted on Larkhill Ranges and in the Chitterne – Shrewton – Tilshead Triangle north of the B390.

ACCESS

Access to SPTA is regulated by Salisbury Plain Military Lands, Bulford, Larkhill and Imber Range Byelaws. Always comply with local signs and flags. Rights of way in Range Danger Areas are closed when red flags are flying.

This Newsletter is published up to 6 weeks before the event and changes may occur. Access timings for the next week can be found on the SPTA Walks Line: (01980) 67 4763.

Imber Ranges. The public are excluded except when the roads are specifically opened. Planned open dates for 2016 are as follows:

Event	Open	Closed
Summer	1800hrs Fri 05 Aug 16	0800hrs Mon 22 Aug 16
Remembrance Sunday	1800hrs Fri 11 Nov 16	0800hrs Mon 14 Nov 16

1. Even when roads are open the village and buildings remain out of bounds to the public.
2. Dates may change if operational training needs dictate.

WHAT CAN YOU DO TO REDUCE CRIME ON SALISBURY PLAIN?

If any crime is taking place call 999, (or 101) and do not under any circumstances challenge the offenders.

Report suspicious activity to PLAINWATCH (01980 674700) or PLAINWATCH@landmarc.mod.uk. The more information received the better, e.g. time, place, vehicle registration, description of individuals and vehicles.

Health and Safety reminder for *all* Military Training Areas and Ranges:

- Do not touch or tamper with Military debris.
- Wash your hands before you eat.
- Clean your footwear before you enter your car or home.
