November 2016 Newsletter

November is the start of EX WESSEX STORM, 1-20 Nov, with 4 SCOTS, a mechanized BG. They will be exercising from Warminster West to Tidworth East conducting challenging operations. There are also infantry company and armoured squadrons exercising at varying times during the month: a very busy time on the plain.

Safety is all important. There is live firing from all weapon systems including AS90 from 19 Regiment, Royal Artillery and various infantry sections of mortars. It should be noted that late night firing on Tuesday and Thursday evening will finish at 2100hrs.

Safety: The public should be aware that tank crossings over the A360, A345, A338, B390, and the C22 (Tilshead to Chitterne) roads will be very busy and if conditions are wet mud clearance parties will be working on the crossings. Notice is also given that the training areas in the Copehill Down and Bourne Valley (SPTA East) areas will be heavily used over this period and that recreational use of the Salisbury Plain military lands is to be restricted to public rights of way only as per the byelaws.

WHAT CAN YOU DO TO REDUCE CRIME ON SALISBURY PLAIN?

If any crime is taking place call 999, (or 101) and do not under any circumstances challenge the offenders.

The new Rural Crime Partnership for Wiltshire and Swindon (hereafter 'the Rural Crime Partnership') has been established by Wiltshire Police in consultation with the Police and Crime Commissioner (PCC) for Wiltshire and Swindon to provide governance for, and oversee delivery of, rural crime strategy. It provides coherence, direction and guidance to the delivery and apportionment of rural policing resources across the county in the context of the Community Policing Model. The first meeting was held at Wiltshire Police Headquarters on 18th October 2016; this is seen by Headquarters SPTA as a positive initiative in order to prevent crime and anti-social behaviour on Salisbury Plain.
