DECEMBER 2016 Newsletter

December should be a quiet month but as ever with range space and training at a premium SPTA remains busy up until the 16 Dec when the range closes for the Christmas break and reopens on 5 Jan 17. Although the range is busy there is little armour on the plain, all the training troops are in the light role with wheeled vehicles.

The week 1 – 5 December will see extensive live mortar and artillery firing on the Larkhill Ranges as Ex CROSSED CANNONS marks the end of four major artillery courses. The remainder of the month will be quite in the run up to Christmas and New Year with only low level training being conducted.

Safety: The public should be aware that tank crossings over the A360, A345, A338, B390, and the C22 (Tilshead to Chitterne) roads will be very busy and if conditions are wet mud clearance parties will be working on the crossings. Notice is also given that the training areas in the Copehill Down and Bourne Valley (SPTA East) areas will be heavily used over this period and that recreational use of the Salisbury Plain military lands is to be restricted to public rights of way only as per the byelaws.

WHAT CAN YOU DO TO REDUCE CRIME ON SALISBURY PLAIN?

If any crime is taking place call 999, (or 101) and do not under any circumstances challenge the offenders.

The new Rural Crime Partnership for Wiltshire and Swindon (hereafter 'the Rural Crime Partnership') has been established by Wiltshire Police in consultation with the Police and Crime Commissioner (PCC) for Wiltshire and Swindon to provide governance for, and oversee delivery of, rural crime strategy. It provides coherence, direction and guidance to the delivery and apportionment of rural policing resources across the county in the context of the Community Policing Model. The first meeting was held at Wiltshire Police Headquarters on 18th October 2016; this is seen by Headquarters SPTA as a positive initiative in order to prevent crime and anti-social behaviour on Salisbury Plain.
